Fletcher, formerly of Now Mr. Fletcher is trying an experiment in this conversion, and so far it has proved most successful. He is converting tractors, drying equipment, rice farm, sheds, pumps and other equipment started in this. His reasons for the conversion are savings on fuel and the first time, was a conversion of a tractor. Mr. Fletcher is the first person in Hancock County to try this conversion in type of conversion. In the picture shown the Butane Gas Co. truck filling a tractor at the Fletcher farm and the work on the conversion of the tractor. W. Smith of the Bay St. Louis Butane Gas Co., was the man who handled the conversions for Fletcher.

## Pints Blood Drawn

Four pints of blood were drawn from the Hancock County Bank at the drawing held at the Youth Center. The bank of One Hundred pints goal set by the Officers Bank. Among the many who gave so generously three rejections were made. Persons, who came as did not have their blood taken had a rare type of blood which is called for in many places. These persons named on file of the Walk-land. If their particular blood is needed for any reason, they can be reached. This type of blood is the O negative. There are only eight persons in the entire county with this type of blood, who are listed with the bank, therefore when this particular type of donors arrived they were not used as rare blood is needed so often in emergencies it is wiser to call for it when needed than to store it in hospitals.

## Why Disregard Polio Vaccine?

C. M. Shipp, Hancock County Officer, makes the statement concerning the interest shown by the people in accepting the Salk vaccine, and seeks to find the reasons for the matter. It is difficult to understand why and procrastination of people in Mississippi. Why are we holding back in accepting the Salk vaccine? The answer is simple. We are not. We are pouring nine million dollars into the job of relief. Every county health department in the state has a supply on hand. The Salk vaccine is more plentiful now than at any time since production began. The people in this state are acquainted with this fact. The trouble with the vaccine that we experienced in the beginning is behind us. The vaccine now being used is as safe as it can possibly be made. Over a million doses have been used in Mississippi with no tragedy. It is believed to be one of the safest vaccines we are using. In the last two weeks almost one case of polio per day has been reported to the Jackson office. These cases are scattered all over the state. Not an epidemic, but a smoldering endemism. It is just waiting for a lot of cases to pop up somewhere in the state. Why wait for an epidemic to put fear into the hearts and minds of people? The surface has hardly been scratched. The records show that only thirty

COMPLETES SCS COURSE  
IN ATHENS, GEORGIA

Joseph S. Howle, Soil Conservation Aid, Soil Conservation Service, USDA, has returned to his headquarters in Bay St. Louis, Mississippi, after completing 3 weeks training at the Soil Conservation Service Training Center, University of Georgia, Athens, Georgia. The Training Center is set up to assist the Soil Conservation Service of the South Eastern states in training their technicians to do a better job in the field. Twenty four men from 8 states with five from Mississippi, attended the training course. Howle, said the training included studies in agronomy, engineering, biology, public speaking, soils, cartography, photo interpretation and forestry. "The training was most interesting and educational," said Howle, and he feels sure that each worker has gone back to the Soil Conservation districts better prepared to assist cooperating farmers in their soil and water conservation problems.

COMPLETES RECRUIT  
TRAINING

Pvt. Gerald A. Bienvenu, son of Mr. and Mrs. Robert V. Bienvenu of 103 Sycamore Street completed his recruit training at the Marine Corps Recruit Depot, Parris Island, S. C., on June 13th. Attending the ceremonies were his family and other friends. The ten-week course covers military drill, first aid, personal hygiene, Marine Corps history, and defense against chemical and atomic attack. The final three weeks are spent on the rifle range where the M-1 rifle is fired for qualification. After a ten day recruit leave Pvt. Bienvenu will be assigned to a unit for further infantry training, or to a Marine Corps school.

### Prepare For Celebration Of Fourth

OUR LADY OF THE  
GULF CHURCH FAIR  
SATURDAY, JULY 14-15

The annual fair given each year by Our Lady of the Gulf Catholic Church will be held on the Day School grounds of St. Stanislaus, Railroad Avenue, on Saturday, July 14 and Sunday, July 15, with opening each evening scheduled for 5:30 p. m. In addition to the many attractions offered for amusement, there will be an innovation this year of a hot supper. Delicious roast beef, served piping hot, with potatoes and vegetables will be a special feature. Tickets for this supper are being sold in advance, and may be purchased from members of the Altar Society, St. Margaret's Daughters and the Ladies Auxiliary of Pere LeDuc Council, Knights of Columbus.

More ground space will be used this year in staging the fair to provide room for tables of the restaurant. There will also be the sought after hamburgers and hot dog sandwiches, cold drinks and beer, Country Store, Mystery Boxes, Games of all types, and many other interest provoking booths. Cake tables will feature fine homemade products, and will be handled by members of St. Joseph's Parents Club. Be sure to attend this gala festival. Plan to have a wonderful supper on the grounds with the entire family, and spend the balance of the evening with amusement to please adults and children of all ages.

Work to clear the sand beach at the head of Carroll and Ulman Avenues is progressing rapidly, and the debris deposited by the tropical disturbance a couple of weeks ago, will be gone, so that the American Legion will be able to stage their gala Fourth of July celebration on the beach, as is the custom of this organization.

This year activities will begin in the evening at 8 o'clock on July 3. All day on the Fourth there will be fun and play for thousands who swarm to the beaches on this midsummer holiday, ending with the largest display of fireworks yet to be seen in Bay St. Louis.

Russell Elliott, recently elected Commander of the local Legion Post, announces the Legion will have concessions of all types. Homemade cakes and candies, cold drinks, sandwiches, Country Store, snowball booth, ice cream and popcorn, with prizes galore for those who compete in the many games. Bands will play, and during the day on the Fourth there will be speakers. So plan to spend the entire day on the beach at Bay St. Louis.

The parks and playgrounds Commission have provided fine shelters with benches to rest on out of the sun, there are also showers for bathers and drinking water, all new this year, and all part of the Park and Playgrounds Commission's program. Comfort and convenience provided by these new installations will add considerably to the fun of those who attend the festival. Don't pack lunches, everything can be purchased from the Legion, thereby enabling mom and dad to enjoy their entire freedom of the day without having to work and plan food problems in advance.

Speaker for the day will be District Attorney Boyce Holleman. Time will be 5:30.

### Minnesota 4-H Members Visit

36 outstanding 4-H Club boys and girls from Minnesota are spending a month visiting in Mississippi. This Sunday they will be guests in Bay St. Louis and Hancock County, where entertainment will be sponsored for them by the Rural Electric Assn., Merchants Bank & Trust Co., and Hancock Bank.

Miss Ida Laura Garraway, County Home Demonstration Agent, and Howard Simmons, County Agent, will be in charge of the day's activities in this county.

The group will drive from Ocean Springs, where they are staying at the 4-H Camp, and will be met at the Reed Hotel by local representation. A watermelon party is the first event scheduled for the afternoon. They will be taken on a tour of the Praline Shops on Highway 90, where they will be shown how the renowned pralines of this area are made. Samples of the delicious candy will be given by some of the owners to the boys and girls. A tour of the estate of Dr. Emmett Lee Irwin, at Darwood on the Jordan will be conducted in the late afternoon, and a buffet supper, prepared by Miss Garraway, with several assistants at the R. E. A. Electric Kitchen, will be served the visitors at the Rough House on the Irwin Estate.

On Monday they will enjoy a trip to Ship Island, where they will see the real surf of the Gulf of Mexico, and probably do some deep sea fishing. A trip into New Orleans is on the itinerary. While in Mississippi they have spent time at State College, Starkville, visited the Capitol in Jackson, and many other interesting historical places of the state.

The group is chaperoned by four leaders, and is a part of the Exchange program between Mississippi and Minnesota in the 4-H Club work. Each year for the past five years, the two states have alternated groups. Last year a number of Mississippi boys and girls were guests of the Minnesota 4-H Clubs, in their home state.

These exchange programs have proved most beneficial, as they enable the members of the clubs, who have shown outstanding interest and abilities in their work, to see other states of the country with their methods of operations in 4-H activities. Those boys and girls who make the trips are able to pass on their knowledge to members who remain at home.

CAKE SALE JUNE 30

A sale of home-made cakes, cookies and candies will be held Saturday, June 30 by members of the Ladies Auxiliary of Pere LeDuc Council, Knights of Columbus.

Purchases of these delicious home made goodies may be secured at Scharr's Jitney-Jungle Store, C & S Fine Food Store and Wilmer's Grocery.

William F. Cooper, Jr., son of Mrs. Rosalind Cooper and the grandson of Mr. and Mrs. H. W. LeTissier of this city, is counting the days until his return to the States from Oppama, Japan, where he has been stationed since last July with the Marine Helicopter Transport Group, First Air Wing of the Fleet Marine Force as Electronic Technician.

Bill was advanced to the rank of Sergeant in May and declined an offer to take Officers Training, as he is anxious to begin his college education and will be released from the Marines in time to enroll this fall. Bill is a graduate of St. Stanislaus College, class of '53.

## Return From Girls' State

Three local girls represented Hancock County at the recent session of Girls' State June 15 through June 23, at Belhaven College, Jackson. The fourth girl selected was unable to make her trip due to illness.

Miss Catherine Ann Matherne, Miss Sylvia Tamplin and Miss Peggy Smith, attended the conference, Miss Patricia Horlock the other delegate was ill.

The girls reaped honor for the county and the schools they represented by all three being elected to office.

Girls' State, sponsored by the American Legion Auxiliary, trains high school students in Government. Selectees return with the knowledge gained by them during the summer, and pass it on to students at their respective schools. This has meant coming generations are familiar with the workings of Government, and better able to use discernment when reaching a majority in the government of their city, county, state and country. They are also better able to judge merits of candidates seeking office, and generally ready to improve politics and legislation.

Sylvia was elected Mayor of the fictitious Dickson City, located in Short County, Peggy was elected State representative and Catherine Ann was named County Supt. of Education. Delegates to the conference were taken on a tour of inspection in Jackson, to the State Capitol, and

held a special legislative session in the Senate. They were addressed by many important officials of the state, and city of Jackson, including, Lt. Governor, Carroll Gartin, Sec'y. of the State; Mrs. Hella Mae Patterson; Chairman of the State Tax Commission, Hon. Alex McKeigney; Commissioners of the City of Jackson, and Justice of the State Supreme Court, Hon. Robert A. Gillespie, and numerous others. An escort by a Capt. of Police of the city went with the girls on their visits to the many schools, parks and other sites on their itinerary.

TOWN AND COUNTRY  
GARDEN CLUB MEETS

"Roses, their growth and care" was the theme of an interesting talk given by guest speaker, William Miller, at the June 26th meeting of Waveland's Town and Country Garden Club.

The meeting was held at the home of Mrs. A. Butz. A new member, Mrs. C. Connell was welcomed into the club.

"Helping the Heart Fund" was the project adopted by the club for the coming year. Several members of the group volunteered to donate blood at the drawing Wednesday at the Hancock Blood Bank.

Following the business meeting and program, a social hour was enjoyed, with delicious refreshments served by the hostess.

## Attending Girl Scout Round-Up

BARBARA ALLEN CLELA KAY MILLER

Final preparations for the Senior Girl Scout Roundup have been completed. Clela Kay Miller and Barbara Allen, representative of the Live Oak Council will depart Wednesday night to participate in this camp which will be held June 28 through July 11 at Highland Recreation in Michigan. Camping equipment and personal supplies were packed and shipped in advance so they will be at the camp when the girls arrive.

Each patrol unit has an identifying name and flag. The Live Oak Council girls were given the responsibility of designing and making the flag for their patrol. With the aid of Mrs. Lucy Shearer, Gulfport, coordinating counselor for the area and Miss Marsha Embt, Gulfport, they selected the flags of France, England, Spain, Confederacy and the United States, the five countries that have played a part in the history of the Gulf Coast, and the coast line map to make up the design of the flag. The initials of the countries represented by the flags were used to form the word "FESTUS", which will be the name of the patrol. The name "FESTUS" the five flags, and the coast line map were painted on a yellow triangle to make the flag.

One of the most exciting features of the Roundup will be the exchange of skills between campers from all parts of the U. S. Barbara and Clela Kay will demonstrate how to knit a fish net. Clela Kay will take leads she made herself. Mrs. Miller is taking a french-drip coffee pot and dark roast coffee to make some of that famous French coffee. The girls also will dance the American Girl Polka with the girls from other localities, and participate in song fest at which American Folk songs will be sung. This will be part of their contribution to the theme of the camp which is "Americans" and carry out the purpose which is for the girls to learn the customs and traditions of the different parts of their land.

GARDENS OF MEMORY

Work is progressing rapidly on the new cemetery, "The Gardens of Memory" located on Third St., and which will be opened in the near future.

A sign over the entrance gates was placed this week by the developers, who advise a formal announcement of the opening will be made through this newspaper shortly.

## TELEPHONE COMPANY TO SPEND \$300,000 IN NEXT 12 MONTHS

Architect's Drawing of proposed new Southern Bell Telephone Co. building.

Telephone Company to spend \$300,000 in next twelve months to provide modern dial telephone service to Bay St. Louis, was announced today by J. C. Dabney, manager, Southern Bell Telephone and Telegraph Company.

A new telephone building will be erected at the corner of St. Francis and St. John streets, Mr. Dabney said, and installation of the dial equipment is expected stalled well in advance of the actual conversion. A contract has already been let for the new building construction if the actual change to dial operation is made. According to Mr. Dabney, the improvement and expansion of telephone service in Bay St. Louis is another step in Southern Bell's steady program to keep all subscribers in the new outside plant equipment ward in line of modernizing all telephone service needs in the city of Mississippi.

# AROUND THE CAMPUS AT ST. STANISLAUS

Brother Oliver, S. C., former teacher and band director of St. Stanislaus died this past week in Mobile. He was born in 1883 and entered the Brothers of the Sacred Heart community in 1907. He taught at Baton Rouge, Thibodaux, Bogalusa, Louisiana, and Mobile as well as Bay St. Louis. He was in charge of the band and orchestra at St. Stanislaus from 1925 to 1931. His funeral services were conducted at the Catholic Boys' Home Chapel in Mobile, by the Very Rev. T. M. Cullen, director of Catholic Charities of the diocese of Mobile.

The St. Stanislaus camp closed its first week this past Sunday under the directorship of Brother Philip, S. C. In attendance were one hundred seventy boys from Louisiana, Mississippi, Florida, Virginia, South Carolina, California, Arkansas, Texas, Alabama and Kansas. Assisting Brother Philip and the following Brothers as counselors—Bro. Leo, Carl, Clifford, Cosmes, Andrieu, from St. Stanislaus faculty this past year, Brothers Aloysius and Victor of the St. Aloysius Faculty of Vicksburg, Miss.; Brothers Sigmund and Sidney of the St. Aloysius faculty of New Orleans; Brothers Carlos, and Lee of Menard High of Alexandria, La.; Brothers Eugene of Thibodaux College, Thibodaux, La.; Brothers Marcellus of McGill, Mobile and Brother Dean of Catholic Boys' Home in Mobile; in charge of the night programs is Brother Barry, of Catholic High, Baton Rouge and Brother Godfrey of the St. Stanislaus faculty, in charge of housing. Brothers Noel and Bosco of the St. Stanislaus faculty and Brother Hilbert of Catholic High, Donaldsonville; and in charge of hobbies, Brother Rian of St. Stanislaus faculty, Brother Jerome from Cor. Jean of New Orleans; Brother Elbert of St. Aloysius, New Orleans and Brother Rene of Donaldsonville Catholic High.

Mrs. Nathan Eschman, New Orleans, was the guest last week of Mr. and Mrs. Max Kohler.

Mr. and Mrs. Al Baudry and three children will spend the 4th of July holidays in Bay St. Louis with relatives.

## SOUTHERN BELL SEEKS RATE INCREASE

Southern Bell Telephone and Telegraph Company today asked the Mississippi Public Service Commission to make a thorough study of its operations in the state and to fix rates that are fair to telephone subscribers and will provide the Company with a reasonable return.

Vice President and General Manager H. G. Turner said that regulation of Southern Bell's telephone rates in Mississippi has been at a standstill for several years.

"During the years since 1932," he said, "Southern Bell suffered severely because, while the rate schedules stayed unchanged, the cost of providing telephone service went up and up."

"Since the last time the Commission set lawful rates for the Company—on April 5, 1948—cost increases of over \$7,500,000 have been incurred by the company."

Of this total, over \$4,000,000 resulted from six wage increases and a boost in the income tax. Cost increases associated with additional investment accounted for another \$3,500,000. Materials, supplies and services have also jumped in cost.

"Rate increases totaling about \$3,600,000 have been made effective under Court order to offset part of these cost increases. The remainder of the cost increases, totaling more than \$4,000,000 has not been covered in the rate schedule."

"Despite the 1956 wage increases totaling over \$600,000 and the urgent need for \$4,000,000 of added revenues to offset this and other cost increases, the Company is proposing rate schedules to provide only \$2,500,000—a stop gap for the period the Commission is conducting hearings and fixing final rates. The proposed rates which will be effective in 30 days, will bring the earnings up from the present 4% level to only about 5 1/2 %."

"Adequate earnings are necessary to keep the telephone service good and to improve and expand it."

"During the past several years when telephone rates have not kept pace with rising costs of telephone growth, Southern Bell has endeavored, despite the handicap of low earnings, to meet fully its service obligations to the people of Mississippi. If carried forward, largely on faith, the greatest construction program in the state's history."

"Despite telephone expansion in the past, telephone service demands continue to be strong throughout Mississippi. We need to spend \$20,000,000 for new and expanded facilities in 1956 and 1957 alone to meet the state's growing telephone requirements. A large proportion of this amount will be spent for facilities in rural areas."

"Money for this tremendous program must be obtained not from customer payments for service but from those who are willing to pay their share in telephone property in proportion of a reasonable return. The return is not unreasonable, it is the low and still declining."

"That is why we are asking the Commission to make a thorough study of our revenue needs and to fix rates that are fair and reasonable."

## OFFICE BUILDING DESTROYED BY FIRE IN WAVELAND

Losses estimated at \$15,000.00 were suffered by Mr. and Mrs. C. B. Mollere, Waveland, owners of an office building located at 140 Coleman Ave., which was destroyed by fire late Friday night.

Building, equipment and records were totally destroyed. Firefighting units from Bay St. Louis and Waveland fought for three hours to bring the flames under control, but were unsuccessful in their attempts.

The Molleres told officers they closed the office about 7:30 p. m., Friday. The fire was discovered about three hours later by Fred Bourgeois, Waveland Town Marshal.

The building was occupied by the William Stanton Collection Agency and the office of the Conservation Service.

## MRS. RONALD LEE POWELL

### BUCKLEY-POWELL NUPTIALS

One of the very lovely June weddings took place Saturday, June 23, at four o'clock at Our Lady of the Gulf Church, when Miss Phyllis Buckley, daughter of Mr. and Mrs. Earl Madison Buckley, became the bride of Dr. Ronald Lee Powell, son of Mr. and Mrs. Clarence Rufus Powell, of Alexandria, La.

Mrs. Michael McCarthy officiated at the double ring ceremony. Wedding music was played on the organ by Prof. Joseph Heilmersbach, with the "Ave Maria" sung by Louis Alexander.

White gladioli, Majestic daisies and palms adorned the church.

The bride entered the church on the arm of her father, who gave her in marriage. She wore an exquisite wedding gown, fashioned of nylon illusion and imported Chantilly lace. A sweetheart neckline was emphasized with delicate cap sleeves, with the illusion forming the upper part of the fitted bodice. Under the bust line the bodice was formed of lace, with the bouffant skirt billowing from a long waistline ending with points of lace, and flowing into a graceful cathedral train. The finger-length veil of illusion was held to the head attached to a princess cap of lace reembodying in seed pearls and iridescent sequins. The bride carried a cascade bouquet of lilies of the valley centered with a magnificent white orchid.

Miss Carolyn Buckley, sister of the bride was Maid of Honor, bridesmaids included Miss Barbara Smith, and Miss Marian Larose, cousins of the bride from New Orleans, Miss Barbara Billingsly, Gulfport, and Miss Shirley Taylor, Whitecastle, La. They wore identical gowns of pale frosted blue tulle combined with lace. The long torso bodices were softly draped with tulle at the neckline with the bodice proper made of lace. Billowing skirts were waitr length in their hair they wore wreaths of tiny feathered pale pink carnations, and carried bouquets in softly formed fan shapes of the same flowers. The lovely costumes were completed with slippers of blue-matching the gowns.

Dr. Charles Crook, Pensacola, Fla. served the bridegroom as best man. Groomsmen were Dr. James A. Price, Gulfport; Dr. Thomas Ray Phillips, Hattiesburg, Dr. Joseph Lampe, New Orleans and Dr. Lawrence Mahle, Donaldsonville, La. Ushers were James R. Larose, a cousin of the bride; Ange-Louis Mammus, both of New Orleans, Larry Mayes, Waveland and Gerald Cox of Bay St. Louis. Henry Larose, another cousin of the bride from New Orleans, and Albert Blanchard served as Altar boys.

Immediately following the church service, a reception was held at the home of the bride's parents on North Beach Blvd. Mrs. Buckley was assisted in receiving by the mother of the bridegroom, Mrs. Powell, and

members of the bridal party. For her daughter's wedding Mrs. Buckley wore a striking sheath gown of white cotton lace worn over an under sheath of summer sky blue taffeta. A bouffant point of blue taffeta was attached to the back waist of the gown. A deep scooped neckline accented the lines of the dress, and with it Mrs. Buckley wore an original creation of a small blue tulle hat with ruffled tulle trim, white elbow length gloves and iridescent white slippers. A shoulder corsage of a white orchid completed the chic costume.

Mrs. Powell, selected for her son's wedding a stunning afternoon model of turquoise blue lace and taffeta, worn with white hat and accessories, and complemented with a large pure white orchid worn at the shoulder.

White gladioli and Majestic daisies with potted palms adorned the home. The bride's table was laid with a Madeira cloth, centered with a five tiered wedding cake topped with miniature bride and groom. Silver candelabra held white lighted tapers. Mrs. Howard Casey, Sli dell, La., a close friend of the family, cut the cake. Punch was served from a table placed on a side porch. Miss Patricia Gex and Miss Joanne Blanchard alternated serving.

The young couple left by motor for a honeymoon trip of two weeks to be spent at Look Out Mountain, Tenn. For traveling the bride wore a shrimp colored linen sheath with cream colored lace inserts in the waist portion of the frock. Her hat was of the same colored cream as the lace in the dress and featured pearl trim. A white duster, white accessories and the orchid from her bouquet completed the ensemble.

Following the wedding trip Dr. and Mrs. Powell will make their home in Norfolk, Va., where Dr. Powell will be stationed while serving with the U. S. Navy.

Out of town guests included Dr. and Mrs. J. Henry Larose, Dr. and Mrs. J. Browne Larose, Dr. and Mrs. Melville Smith, Mrs. William Worthing Calhoun, Miss Gertrude Calhoun, Mr. and Mrs. Robert Buckley and family, of New Orleans, Mr. and Mrs. R. N. Buckley, Alexandria, La.; Mr. and Mrs. R. M. Hill, Gulfport.

### DAUGHTER BAPTISED

Patricia Bernadette Austin, infant daughter of Mr. and Mrs. James Lee Austin was baptised Sunday, June 24, at Our Lady of the Gulf Catholic Church, with Reverend Hugh Taylor officiating.

Sponsors for the infant were an aunt and uncle, Mr. and Mrs. Charles J. Koberger, Gulfport.

Following the church services a reception was held at the Austin home on the Old Spanish Trail for members of the families.
